47 | <div class="skills" id="skills">
48 |     <h5>My Skills</h5>
49 |     <h3>My Expertise</h3>
50 |     <div class="skill-items">
51 |         <div class="item">
52 |             <div class="icon"><i class='bx bx-directions'></i></div>
53 |             <h4>Strategy & Direction</h4>
54 |             <p>
55 |                 Flexibility and adaptability are key in the dynamic field of web development.
56 |                 Regularly reassess the strategy based on feedback, technological advancements, and evolving project requirements.
57 |             </p>
58 |         </div>
59 |         <div class="item">
60 |             <div class="icon"><i class='bx bx-bookmark-heart'></i></div>
61 |             <h4>Branding & Logo</h4>
62 |             <p>
63 |                 A successful logo and brand are not just visually appealing but also resonate with your target audience,
64 |                 effectively conveying the values and personality of your brand.
65 |             </p>
66 |         </div>
67 |         <div class="item">
68 |             <div class="icon"><i class='bx bxl-figma'></i></div>
69 |             <h4>UI & UX Design</h4>
70 |             <p>
71 |                 Designing the user interface (UI) and user experience (UX) for a website involves a combination of creativity, usability,
72 |                 and a deep understanding of user needs.
73 |             </p>
74 |         </div>
75 |     </div>
76 | </div>
